

Countertop Model

Discover the Waco Infinite-40 Countertop Water Cooler: Effortless Hydration at Your Fingertips

Your Hydration Hub

Transform your space with the Waco Infinite-40 Countertop Water Cooler—where convenience meets style! Perfect for homes, offices, and shared spaces, this sleek water cooler is designed to deliver pure, refreshing hydration without taking up valuable floor space.

Key Features:

- **Compact Design:** With its space-saving footprint, the Infinite-40 fits seamlessly on countertops, kitchen islands, or office desks, making it ideal for any environment.
- **Instant Hot & Cold Water:** Enjoy the flexibility of instant access to both icy cold and steaming hot water, perfect for hydration or preparing your favorite beverages.
- **Advanced Filtration:** Equipped with a state-of-the-art filtration system, the Infinite-40 removes impurities and enhances taste, providing you with clean, delicious water every time.
- **User-Friendly Interface:** Simple controls make it easy for anyone to operate, ensuring quick access to your desired water temperature.
- **Sustainable Choice:** Reduce plastic waste with our reusable water bottles, designed to keep your water fresh while minimizing environmental impact.

Why Choose Waco?

Perfect for Every Setting:

- **Home:** Ideal for families, ensuring everyone stays hydrated and happy.
- **Office:** Boost productivity with a stylish water cooler that encourages regular hydration breaks.
- **Cafés & Restaurants:** A perfect addition for serving fresh water to your patrons.
